TULSA, OKLAHOMA, TUESDAY, OCTOBER 17, 1916.

WALLACE DIDN'T LET CONTRACT FOR HARD-SURFACE ROAD

FOR TULSA-SAPULPA HIGHWAY.

Long and Will Cost Approximately \$50,000.

struction work will be under way on the Tulsa-Sapulpa highway. The contract for that part of the road in Tulsa county was awarded by the commissioners yesterday to J. T. Langtry. Teams and men will start on the grading of the new highway next Monday, About forty days will be required for this part of the work. The surfacing and paving will following the grading work immediately if weather conditions permit.

That portion of the road in Tulsa county will be between the southern limits of West Tulsa near the Texas refinery to New Tancha, a distance of six and one-fifth miles. From New Tancha the highway will be built to Sapulpa by Creek county.

Mr. Langtry's bid for the grading was made on a unit basis at 24 cents a yard. For the surfacing and paving his bid was \$6,923 a mile.

The entire road will be about 1.

Third CASE HERE

Unanimous Decision.

In the discussion that ensued last might in which all of the thirty doctors took part it was pointed out that in san Francisco 1 fag. Call cost \$19.

Oklahoma City and Muskogee both have adopted the scale which Tulsa is about to adopt.

Cases of confinement were placed at 3 minimum of \$1. It was said that in many cases a higher pities should be asked, but for the ordinary cases of advice and prescription that this sum would be sufficient.

Night calls will be considered from 7 o'clock in the evening until 7 o'clock in the morning. This schedule was decided upon after many had expressed the view that a night call was one that called a doctor out of bed.

West Tulsa the Same.

It was at first proposed that an ordinary cases of advice and prescription that this sum of the vening until 7 o'clock in the evening until 7 o'clock in the evening until 7 o'clock in the evening until 7 o'clock in the advice and prescription that the same.

It was at first proposed that an ordinary cases of advice and prescription that the same. "Is it conceivable that anyone should desire the horror and wastes of war? Is it conceivable that at that time with Europe in arms anyone should be under misapprehension as to what war means?

"What we do say is that it is not the path of peace but a path that leads to insult, resentment and war if you do not forfessly maintain the known rights of our country.

Now, Rack of II.

Last right the child was reported to be improved and the paralysis was leaving the arm affleted. The physician says the child will probably recover.

Take Precautions.

Every precaution has been taken by Dr. De Zell Hawley, city health superintendent, and his assistant to prevent the disease spreading. No children of the Pilkington family have attended school since the disease made its appearance. No delivery boys or other persons are permitted to go near the place,

"There is absolutely no cause for

ease made its appearance. No de-livery boys or other persons are per-mitted to go near the place. "There is absolutely no cause for alarm," said Doctor Hawley last night.

Great Northern and Northern Pacific There is little danger of an epi-having control of the Burlington, W. demic in this city owing to the prompt P. Kenney, vice-president of the desired the development of the development of the state of the development of the great Northern said that as a result paralysis. Nevertheless, the health
